1. You are holy, for I am holy.
You are Me for I am you.
You house Me for I house you.
Thou art the conception of Me.
You came through Me now I come through you.
I love you and I give you Me.
And now that which I come through I come through in purity, I come through in grace and glory, I come through without reserve, I come through in models many, and in matters all, and nothing is too difficult for Me; yea, the word of My mouth being issued forth by My body: you. You are the word of My mouth made flesh and existing existent before time and space began, ever was and will be afterward. I love you.
Time and space have no hold on Me and therefore, My friend, My lover, has no hold on you: My body. I love you.
2. See what I have said and come into the Kingdom for more, for such a time as this you serve, you stand, you arise into the presence of the King, the one and only, bemoaning not which, yea, coming before Me in beauty, My face beholding yours, you beholding Mine, the radiance of each other beheld, covenant replete: us/each other. The absolute beauty of what I am saying: integrity beyond comprehension human, beyond human comprehension; yea, beyond muted DNA but all unmuted into Me. I love you.
3. You come for such a time as this, you hold My cup, you see My cup, evaluated My cup, you fear not My cup, you embrace My cup, My cup of suffering, My cup that I give you of death, burial, and resurrection into only Me; radiant, radiantly radiance-ing My beauty; yea, splendor of light; light of splendor; light of life. I give you Me; I give you all of Me and now you know so much more.
4. You know enough to hang planets in space; yea, almost. Words of My mouth, words of My heart, the word of My heart, the fullness of the word of My heart coming forth from the word of My mouth; Yea, My body, you; into you My body, for you My body all, who drink offering'd disciples will be and remain, consistently supping with Me and each other, being My bread and wine. You are My body and blood, flesh of My flesh, bone of My bone and where you go I go. I go in the fullness of Me now, the fullness of My beholdment, Me becoming you, I am you in all things.
5. My papers write, enjoy, employ, implement, explore; white papers, blue papers, green papers; yea, chartreuse; montages in rainbows of only Me with new colors coming out now through Me constantly given to you My feeder, My nurturer who now nurtures

My young, My lovely, My dirty. Pouring out upon all flesh without reserve, pouring out Me, pouring out truth, fountaining pure, running, living water; yea, not stagnant, so alive, bubbling; My bubbles enjoy. Emphrons of only Me.

6. See all I have said these short moments as you ready now for My globe to see over, to see upon, to see around, to be around, to be a part of when formed, spectator not. I love you; I withhold nothing. I give you Me, the Kingdom in your hand for such a time as this. Thank you. Copyrighting nothing, visually placing Me in My all so that My all can see Me in them and **know who I am, who they are, where they came from, their design, what they are doing and flow into now: The Priesthood of All Believers**; doing/being: one; yea, My priests/kings, kings/priests operating in the fullness of My love, power; yea, in vocations real and all everlasting. Yea, My saints, sainthood of only Me.

7. There is no distance in Me, there is no time, no constraint; every moment permanent and constant; traveling at the speed of light, formed at light speed, formed by light in light, Me, you, seated at My right hand; yea, seated at My left; seated in covenant; yea, chosen by Me over all others no, all chosen who choose.

8. I give you Me for such a time as this.

9. Thank you for arising My/our 2:00 a.m. meeting right on time.

10. All I have said is true, all My promises coming, have come; yea, are true and coming, My supply lines infinite and delayed not, delayed no longer.

11. See Me. I promise there is no lack. My fields are white unto harvest and need models, leaders, generals, captains, lieutenants; yea, of only Me; who think not arrogantly over My head and in their arrogance limit Me so severely to milk and Pablum, when upon My seas they could see Me being formed in My body, they could see the stars forming in space, they could understand the forces at work, at play, at enmity and; yea, they serve themselves mostly in littleness, littlehood, microscopically hoping to control and be in charge of their little kingdom-thought when, yea, I have given them the kingdom of all; the kingdom of heaven; the kingdom of no limits and made them royalty.

12. Yea, all comes, all is, all changes. My people need leaders of guts, leaders with guts, royalty that will royalty be, unashamedly with Me; who will walk with Me, talk with Me and meet Me at 2:00 a.m. Speak My words, proclaim My blessing, My banner, My declarations and proclamations as Me, from Me, written by The I Am to I Am; yea, My body all, guts'd ones who are afraid not of anything anymore; no evil befalling, all surrendered before Me; time and space independent. I love you; I give you Me.

13. Behold The King of Kings, The Lord of Lords, The Lord of Light in whom there is no shadow or variableness of turning; yea, who give you what you want, what you need so richly, bountifully, crops of only Me. In neon not but rainbows of Me, multi-colored operatives operating as My agents, My servants, My royalty. All together lovely concert of Me. I love you. Vibrations of only Me, string theory enjoy, employ, implore, explore of Me. Yea, see Me My strings, My strands, My of only Me coming forth in the beauty of

My array, My substance replete, walking with Me My bride, My bride matured and afraid of nothing. Yea, 2:00 a.m.'d in My Priesthood replete.

14. I love you; go in peace. Enjoy My relationships which flower and flourish, fail not at My request to font and fountain Me to every one, every single one no matter their teeth, whether they have any; their shoes, their party; their opulence; their titles. Yea, speak Me and entertain angels unaware not, knowing I am everyone, every single one you contact with. Now freely give, freely you have received.

15. Thou art holy for I am holy; yet, the holy things, words, wisdom, knowledge and understanding of My universe of limitlessness to My all together will be Me in the richness of My accord; one concert coming, My finale, and My concert enjoin forthwith forevermore.

16. I love you; I give you Me. Quarters of only Me; yea, rent-free and perfect for now. The steel in the ground and more coming; lands, limitless revenues of only Me; creation of the Almighty as I smile.

17. Thank you for My power, My time, My moments with you, My love, My Me, My Me-making, revealing Me to My Me now; yea, forevermore not but in worlds known and unknown, unknown to you now, coming. Known all will be so soon, now is My beck and call; your beck and call, with you at your door, knocking. Thank you. Getting up, believing, receiving, going, us altogether into worlds unknown, known by Me now known by you, made known to all My students who conquer all will. Yea, no Judas's, Judas discerning; I give you every instruction, every detail, seeing, hearing, feeling, become Me and only Me; reliving Me in the fullness of I Am.

18. I love you; I give you all; all is in My hand/your hand. Yea, through My eyes you now see. Behold Me, behold the lamb; yea, I behold you for such a time as this, for such a time as this, for such a time as this. Yea, thank you. I drink in your cup, being your cup, being Me. Thank you. Amen. Good night. So be it, it is. Good day. Good morning. Good forthcoming, My good. So much. So revelatory. So deeply appreciated. Thank you. Good night.
